

To: **United Way and Other Community Service Agencies**

From: Humphreys County Health Council

Dated: 09-02-2014

You are invited to send a representative to attend the **Hiking for Health Festival**.

This event is being held to raise funds for the We Care/We Help program.

The event will be held on **Saturday, November 22, 2014**, at the Johnsonville State Historic Park. Event time is 10:00 am till 2:00 pm. The Festival will be held rain or shine. Teams/individuals will get sponsorships for the walk. The team or individual raising the most monies will be awarded prizes at different levels. Please see the enclosed flyer for details.

We are asking your organization to send a representative to meet and greet during the event. Please have them wear a shirt/name badge, etc. to clearly identify your agency. Have on an apron or carry a basket, etc. with informative materials to hand out. Our space is very limited. So you don't miss out on the fun, consider entering a hiking team as well.

Our hopes are that this event will encourage residents of Humphreys County to use our resources to benefit themselves and others.

Please address responses or questions to: **pondmoma2@yahoo.com**.

We look forward to your participation. Thank you from our sponsors---
